Traccia 1

The “Anello di Olcio” (Ring of Olcio) is a circular path that crosses the town of Olcio, a hamlet of the municipality of Mandello del Lario. The path is characterized by a rural environment with terraces mostly cultivated with olive trees and vegetables. The trail has several panoramic viewpoints that offer a wonderful view of the lake and the surrounding mountains

Traccia 2

The route is marked with stamps of the colors of the ancient Municipality of Olcio: each of them is positioned near an environmental, cultural and landscape point of interest and, by scanning the QR code, it is possible to visit the website to learn more about the place

Traccia 3

Lying on a gentle slope, kissed by the rhythmic waves of Lake Como and guarded by the majestic Grigna Mountains, Mandello has been and still is a nursery for great sport champions and skilled entrepreneurs and a hotbed of great innovations that have turned it into a vibrant industrial center during the twentieth century.

Traccia 4

Sporting, cultural, recreational and food and wine events are organized by the Municipality of Mandello del Lario - Tourism and Culture Departments - in collaboration with the local Pro Loco, which goal is to promote the territory and provide organizational and educational support.
